DECLARATION OF PROTECTIVE COVENANTS
FOR
VILLAGES AT TWIN RIVERS

THIS DECLARATION OF PROTECTIVE COVENANTS is made this _____ day of _____, 2001, by BOSQUE RIVERCHASE, LTD., a Texas Limited Partnership (hereinafter referred to as "Declarant").

Declarant is the owner of the real property described in Exhibit "A" attached hereto and incorporated herein by reference. Declarant intends by this Declaration to impose upon the Properties (as defined herein) mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of real property within the Properties. Declarant desires to provide a flexible and reasonable procedure for the overall development of the Properties, and to establish a method for the administration, maintenance, preservation, use and enjoyment of such Properties as are now or hereafter subjected to this Declaration.

Declarant hereby declares that all of the property described in Exhibit "A" and any additional property which is hereafter brought into the jurisdiction of this Declaration by Supplemental Declaration shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions which are for the purpose of protecting the value and desirability of and which shall run with the real property subjected to this Declaration and which shall be binding on all parties having any right, title, or interest in the described Properties or any part thereof, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof.

Article I
Definitions

Section 1. "Area of Common Responsibility" shall mean and refer to the Common Area, together with those areas, if any, which by the terms of this Declaration or by contract or agreement with any Neighborhood becomes the responsibility of the Association. The office of any property manager employed by or contracting with the Association, if located on the Properties, or any public rights-of-way within or adjacent to the Properties, may be part of the Area of Common Responsibility.

Section 2. "Articles of Incorporation" or "Articles" shall mean and refer to the Articles of Incorporation of Villages at Twin Rivers Community Association, Inc., as filed with the Secretary of State of the State of Texas.

Section 3. "Association" shall mean and refer to Villages at Twin Rivers Community Association, Inc., a Texas non-profit corporation, its successors or assigns. The "**Board of Directors**" or "**Board**" shall be the elected body having its normal meaning under Texas corporate law.

Section 4. "Assessment" shall mean and refer to assessments levied against all Units in the Properties to fund Common Expense.

Section 5. "By-Laws" shall mean and refer to the By-Laws of Villages at Twin Rivers Community Association, Inc., attached hereto as Exhibit "___" and incorporated herein by reference, as they may be amended from time to time.

Section 6. "Class "B" Control Period" shall mean and refer to the period of time during which the Class "B" Member is entitled to appoint a majority of the members of the Board of Directors, as provided in Article III, Section 3, of the By-Laws.

Section 7. "Common Area" shall be an inclusive term referring to both General Common Area and Exclusive Common Area, as defined herein.

Section 8. "Common Expenses" shall mean and include the actual and estimated expenses incurred by the Association for the general benefit of all Unit Owners, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the By-Laws, and the Articles of Incorporation of the Association, but shall not include any expenses incurred during the Class "B" Control Period for initial development, original construction or installation of infra-structure, original capital improvements, or other original construction costs unless approved by Voting Members representing a majority of the total Class "A" vote of the Association.

Section 9. "Community-Wide Standard" shall mean the standard of conduct, maintenance, or other activity generally prevailing throughout the Properties. The Board of Directors and the New Construction Committee may more specifically determine such standard.

Section 10. "Declarant" shall mean and refer to Bosque Riverchase, Ltd., a Texas Limited Partnership, or its successors, successors-in-title or assigns who take title to any portion of the property described on Exhibits "A" or "B" hereof for the purpose of development and/or sale and are specifically designated as the Declarant in a recorded instrument filed with the County Clerk's office.

Section 11. "Equivalent Units" shall mean that number assigned to each Unit, as provided in Article X, Section 1, of this Declaration, for purposes of allocating Base Assessments and Special Assessments among the Units subject to such assessments, as provided in Article X.

Section 12. "Exclusive Common Area" shall mean and refer to certain portions of the Common Area which are for the exclusive use and benefits of a designated Neighborhood as may be defined by a Supplement Declaration or other recorded document as may be determined by the Declarant.

Section 13. "General Common Area" shall mean all real and personal property that the Association now or hereafter owns or otherwise holds for the common use and enjoyment of all Owners.

Section 14. "General Land Use Plan" shall mean and refer to the plan for the development of the Villages at Twin Rivers community prepared by _____, as it may be amended from time to time, which plan includes the property described on Exhibit "A" and all or a portion of the property described on Exhibit "B" which Declarant may from time to time anticipate subjecting to this Declaration. Inclusion of property on the General Land Use Plan shall not, under any circumstances, obligate Declarant to subject such property to this Declaration, nor shall the exclusion of property described on Exhibit "B" from the General Land Use Plan bar its later annexation in accordance with Article VIII hereof.

Section 15. "Golf Club" shall mean a portion of land adjacent to the Properties which is privately owned by _____, its successors, successors-in-title, or assigns, and which is operated as a golf club with recreational facilities which may include a golf course, a club house, and all related and supporting facilities and improvements.

Section 16. "Member" shall mean and refer to a Person entitled to membership in the Association, as provided herein.

Section 17. "Mortgage" shall mean and refer to a mortgage, a deed of trust, a deed to secure debt, or any other form of security deed.

Section 18. "Mortgagee" shall mean and refer to a beneficiary or holder of a Mortgage.

Section 19. "Mortgagor" shall mean and refer to any Person who gives a Mortgage.

Section 20. "Neighborhood" shall mean and refer to each separately developed residential area comprised of one (1) or more housing types subject to this Declaration, whether or not governed by an additional owners association, in which owners may have common interests other than those common to all Association Members, such as a common theme, entry feature, development name, and/or common areas and facilities which are not available for use by all Association Members. For example, and by way of illustration and not limitation, each condominium, townhome development, cluster home development, and single-family detached housing development shall constitute a separate Neighborhood. In addition, each parcel of land intended for development as any of the above shall constitute a Neighborhood, subject to division into more than one (1) Neighborhood upon development.

Where the context permits or requires, the term Neighborhood shall also refer to the Neighborhood Committee (established in accordance with the By-Laws) or Neighborhood Association (as defined in Article III, Section 3) having jurisdiction over the property within the Neighborhood. It shall not be necessary for any Neighborhood to be governed by a Neighborhood Association except in the case of a condominium or otherwise as required by law. Neighborhoods may be divided or combined in accordance with Article III, Section 3, of this Declaration.

Section 21. "Neighborhood Assessment" shall mean assessments levied against the Units in a particular Neighborhood or Neighborhoods to fund Neighborhood Expenses, as more particularly described in Article X, Section 1, of this Declaration.

Section 22. "Neighborhood Expenses" shall mean and include the actual and estimated expenses incurred by the Association for the benefit of Owners of Units within a particular Neighborhood or Neighborhoods, which may include a reasonable reserve for capital repairs and replacements, all as may be specifically authorized from time to time by the Board of Directors and as more particularly authorized herein.

Section 23. "Owner" shall mean and refer to one (1) or more Persons who hold the record title to any Unit which is part of the Properties, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Unit is sold under a recorded contract of sale, and the contract specifically so provides, then the purchaser (rather than the fee owner) will be considered the Owner. If a Unit is subject to a written lease with a term in excess of one (1) year and the lease specifically so provides, then upon filing a copy of the lease with the Board of Directors the lessee (rather than the fee owner) will be considered the Owner for the purpose of exercising all privileges of membership in the Association.

Section 24. "Person" means a natural person, a corporation, a partnership, a trustee, or any other legal entity.

Section 25. "Properties" shall mean and refer to the real property described in Exhibit "A" attached hereto, together with such additional property as is hereafter subjected to this Declaration by Supplemental Declaration.

Section 26. "Special Assessment" shall mean and refer to assessments levied in accordance with Article X, Section 4, of this Declaration.

Section 27. "Supplemental Declaration" shall mean an amendment or supplement to this Declaration executed by or consented to by Declarant which subjects additional property to this Declaration and/or imposes, expressly or by reference, additional restrictions and obligations on the land described therein. The term shall also refer to the instrument recorded by the Association pursuant to Article VIII, Section 2, of this Declaration to subject additional property to this Declaration.

Section 28. "Unit" shall mean a portion of the Properties, whether developed or undeveloped, intended for development, use, and occupancy as an attached or detached residence for a single family, and shall, unless otherwise specified, include within its meaning (by way of illustration, but not limitation), patio or zero lot line homes, and single-family detached houses on separately platted lots, as well as vacant land intended for development as such, all as may be developed, used, and defined as herein provided or as provided in Supplemental

Declarations covering all or a part of the Properties. The term shall include "**Lots**" which means those tracts of land so designated upon any recorded subdivision of the Properties.

Section 29. "Voting Member" shall mean and refer to the representative selected by the Members of each Neighborhood to be responsible for casting all votes attributable to Units in the Neighborhood for election of directors, amending this Declaration or the By-Laws, and all other matters provided for in this Declaration and in the By-Laws. The Voting Member from each

Neighborhood shall be the senior elected officer (e.g., Neighborhood Committee chairman or Neighborhood Association president) from that Neighborhood; the alternate Voting Member shall be the next most senior officer.

Article II **Property Rights**

Section 1. General. Every Owner shall have a right and nonexclusive easement of use, access and enjoyment in and to the Common Area, subject to:

(a) this Declaration as it may be amended from time to time and to any restrictions or limitations contained in any deed conveying such property to the Association;

(b) the right of the Board to limit the number of guests who may use the Common Area, and to adopt other rules regulating the use and enjoyment of the Common Area;

(c) the right of the Board to suspend the right of an Owner to use recreational facilities within the Common Area (i) for any period during which any charge against such Owner's Unit remains delinquent, and (ii) for a period not to exceed thirty (30) days for a single violation or for a longer period in the case of any continuing violation, of the Declaration, By-Laws, or rules of the Association, after notice and a hearing pursuant to the Article III, Section 22, of the By-Laws;

(d) the right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area pursuant to Article XIII, Section 5 hereof;

(e) the right of the Board to impose reasonable membership requirements and charge reasonable admission or other fees for the use of any recreational facility situated upon the Common Area;

(f) the right of the Board to permit nonmember use of any recreational facility situated on the Common Area upon payment of use fees established by the Board;

(g) the right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, subject to the approval requirements set forth in Article XIV, Section 2 hereof; and

(h) the rights of certain Owners to the exclusive use of portions of the Common Areas, designated Exclusive common Areas, as more particularly described in Section 2 below.

Any Owner may delegate his or her right of use and enjoyment to the members of his or her family, lessees and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

The initial Common Area shall be conveyed to the Association prior to the conveyance of a Unit to any Unit purchaser other than a builder or developer holding title for the purpose of development and resale.

Section 2. Exclusive Common Areas. Certain portions of the Common Areas may be designated as Exclusive Common Areas and reserved for the exclusive use of Owners and occupants of Units within a particular Neighborhood or Neighborhoods. All costs associated with operation, maintenance, repair, replacement and insurance of Exclusive Common Areas shall be assessed as a Neighborhood Assessment, as defined herein, against the Owners of Units in only those Neighborhoods to which the Exclusive Common Areas are assigned. By way of illustration and not limitation, Exclusive Common Areas may include recreational facilities intended for the exclusive use of Owners within a particular Neighborhood or Neighborhoods and supported exclusively by Neighborhood Assessments.

Initially, any Exclusive Common Area shall be designated as such and the exclusive use thereof shall be assigned in the deed conveying the Common Area to the Association or on the recorded plat of survey relating to such Common Area. A portion of the Common Area may be assigned as Exclusive Common Area of a particular Neighborhood or Neighborhoods and Exclusive Common Area may be reassigned upon the vote of a majority of the total Association vote, including a majority of the votes within the Neighborhood(s) to which the Exclusive Common Areas are assigned, if applicable, and the Neighborhood(s) to which the Exclusive Common Areas are to be assigned.

Section 3. Golf Club. Access to the Golf Club adjacent to or within the Properties is strictly subject to the terms, conditions, rules and procedures established by the owner of the Golf Club, as more particularly described in Article XVI of this Declaration. No Owner or occupant gains any right to enter or to use the Golf Club facilities by virtue of ownership or occupancy of a Unit.

Article III **Membership and Voting Rights**

Section 1. Membership. Every Owner, as defined in Article I, shall be deemed to have a membership in the Association. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit owned. In the event the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. A Member or the Member's spouse, subject to the provisions of this Declaration and the By-Laws may exercise the rights and privileges of membership. The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Secretary, subject to the provisions of this Declaration and the By-Laws.

Section 2. Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B" as follows:

(a) Class "A". Class "A" members shall be all Owners with the exception of the Class "B" member, if any.

Class "A" Members shall be entitled to one (1) equal vote for each Unit in which they hold the interest required for membership under Section 1 hereof; there shall be only one (1) vote per Unit. Unless otherwise specified in this Declaration or the By-Laws, the Voting Member, as defined in Article I, representing the Neighborhood of which the Unit is a part shall exercise the vote for each Unit.

In any situation where a Member is entitled personally to exercise the vote for his Unit and more than one (1) Person holds the interest in such Unit required for membership, the vote for such Unit shall be exercised as those Persons determine among themselves. The Association shall recognize any vote cast and presented to the Association for a Lot/Unit as the determination of the Owner(s). Conclusion of actions among Owners must be the responsibility of such Owners to administer such authority. The Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

(b) Class "B". The Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve actions taken under this Declaration and the By-Laws, are specified elsewhere in the Declaration and the By-Laws. The Class "B" Member shall be entitled to appoint a majority of the members of the Board of Directors during the Class "B" Control Period, as specified in Article III, Section 2, of the By-Laws. After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove actions of the Board of Directors and any committee as provided in Article III, Section 3, of the By-Laws. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of:

(i) two (2) years after expiration of the Class "B" Control Period pursuant to Article III of the By-Laws; or

(ii) when, in its discretion, the Declarant so determines.

Section 3. Neighborhoods. Every Unit shall be located within this Association to include those Lots/Units that may be part of a Neighborhood as defined in Article I. The Units within a particular Neighborhood shall be defined within the Supplemental Declaration recorded for each subdivision. A Neighborhood may have additional restrictions and/or a Neighborhood Fee Assessment which is designed for the expense and benefit of additional or exceptional services that is specifically designed for the designated Neighborhood. Each Neighborhood shall elect a Neighborhood Committee, as described in Article V, Section 3, of the By-Laws, to represent the interests of Owners of Units in such Neighborhood.

Each Neighborhood, upon the affirmative vote, written consent, or a combination thereof, of a majority of Owners within the Neighborhood, may require that the Association provide a higher level of service or special services for the benefit of Units in such Neighborhood. In such event, the Association shall provide such services and the cost of such services shall be assessed against the Units within such Neighborhood as a Neighborhood Assessment pursuant to Article X hereof.

The senior elected member of each Neighborhood Committee shall serve as the Voting Member for such Neighborhood and shall cast all votes attributable to Units in the Neighborhood on all Association matters requiring membership vote, unless otherwise specified in this Declaration or the By-Laws. The next most senior member shall be the alternate Voting Member and may cast such votes in the absence of the Voting Member. The Voting Member may cast all such votes as it, in its discretion, deems appropriate. Notwithstanding the above, each Voting Member shall cast only one (1) equal vote for election of directors.

Initially, each portion of the Properties which is intended to be subdivided for development as two (2) or more Units at the time it is conveyed by the Declarant, or which is described on a single plat or series of plats by the same name, shall constitute a separate Neighborhood. The developer of any such Neighborhood may apply to the Board of Directors to divide the parcel constituting the Neighborhood into more than one (1) Neighborhood or to combine two (2) or more Neighborhoods into one (1) Neighborhood at any time. Upon a petition signed by a majority of the Unit Owners in the Neighborhood, any Neighborhood may also apply to the Board of Directors to divide the property comprising the Neighborhood into two (2) or more Neighborhoods or to combine two (2) Neighborhoods into one (1) Neighborhood. Any such application shall be in writing and shall include a plat of survey of the entire parcel that indicates the boundaries of the proposed Neighborhood(s) or otherwise identifies the Units included within the proposed Neighborhood(s). A Neighborhood consolidation shall automatically be deemed granted upon the applicant filing the required documents with the Board. A Neighborhood division requested by the Neighborhood or by the Neighborhood developer shall automatically be deemed granted unless the Board of Directors denies such application in writing within thirty (30) days of its receipt thereof. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association and shall be maintained as long as this Declaration is in effect.

Article IV **Maintenance**

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures, and improvements, including any private streets, situated upon the Common Areas, landscaped medians within public rights-of-way throughout the Properties, landscaping and other flora on any public utility easement within the Properties (subject to the terms of any easement agreement relating thereto), and such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, or by a contract or agreement for maintenance thereof by the Association. The Area of Common Responsibility shall also include, without obligation, all lakes and/or ponds located within the Properties or the Golf Club which serve as part of the drainage and storm water retention system for the Properties, including any retaining walls, bulkheads or dams retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or in connection therewith. There are hereby reserved to the Association easements over the Properties as necessary to enable the Association to fulfill such responsibilities. The Association

shall maintain such facilities and equipment in continuous operation, except for reasonable periods as necessary to perform required maintenance or repairs, unless seventy-five (75%) percent of the Unit Owners agree in writing to discontinue such operation. The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the Base Assessment, notwithstanding that the Association may be entitled to reimbursement from the owner(s) of certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof. All costs associated with maintenance, repair and replacement of Exclusive Common Areas shall be a Neighborhood Expense assessed as a Neighborhood Assessment solely against the Units within the Neighborhood(s) to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder.

The Association shall also be responsible for maintenance, repair and replacement of any property within any Neighborhood to the extent designated in any Supplemental Declaration affecting the Neighborhood. The Association may also assume maintenance responsibilities with respect to any Neighborhood in addition to those that may be designated by any Supplemental Declaration. This assumption of responsibility may take place either by agreement with the Neighborhood or because, in the opinion of the Board, the level and quality of service then being provided is not consistent with the Community-Wide Standard of the Properties. All costs of maintenance pursuant to this paragraph shall be assessed as a Neighborhood Assessment only against the Units within the Neighborhood to which the services are provided. The provision of services in accordance with this Section shall not constitute discrimination within a class.

Section 2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, parking areas and other improvements comprising the Unit. Owners of Units which are adjacent to any portion of the Common Area on which walls, other than walls which form part of a building, have been constructed shall maintain and irrigate that portion of the boundary. Owners of Units adjacent to any roadway within the Properties shall maintain driveways serving their respective Units, whether or not lying within the Unit boundaries, and shall maintain and irrigate landscaping on that portion of the Common Area, if any, or right-of-way between the Unit boundary and the back-of-curb of the adjacent street. Owners of Units abutting the water's edge, or a portion of the Common Area abutting the water's edge, of any lake or pond within the Properties shall maintain and irrigate all landscaping between the Unit boundary and such water's edge; provided there shall be no right to remove trees, shrubs or similar vegetation from this area without prior approval pursuant to Article XI hereof.

All maintenance required by this Section 2 shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to a Neighborhood pursuant to any additional declaration of covenants applicable to such Unit. In addition to any other enforcement rights available to the Association, if any Owner fails properly to perform his or her maintenance responsibility, the Association may perform it and assess all costs incurred by the Association against the Unit and the owner thereof in accordance with Article X, Section 4 of this Declaration; provided, however, except when entry is required due to an emergency situation, the Association shall afford the owner reasonable notice and an opportunity to cure the problem prior to entry.

Section 3. Neighborhood's Responsibility. Upon resolution of the Board of Directors, the Owners of Units within each Neighborhood shall be responsible for paying, through Neighborhood Assessments, costs of maintenance of certain portions of the Area of Common Responsibility within or adjacent to such Neighborhood, which may include, without limitation, the costs of maintenance of any right-of-way and greenspace between the Neighborhood and the adjacent public roads, private streets within the Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association; provided, however, all Neighborhoods which are similarly situated shall be treated the same.

Any Neighborhood Association whose common property is adjacent to any portion of the Common Area upon which a wall, other than a wall which forms part of a building, is constructed shall maintain and irrigate that portion of the Common Area between the wall and the Neighborhood Association's property line. Any Neighborhood Association whose common property fronts on any roadway within the Properties shall maintain and irrigate the landscaping on that portion of the Common Area or right-of-way between the property line and the nearest curb of such roadway. Any Neighborhood Association whose common property abuts the water's edge, or a portion of the Common Area abutting the water's edge, of any lake or pond within the Properties shall maintain and irrigate all landscaping between the boundary of its common property and such water's edge; provided, there shall be no right to remove trees, shrubs or similar vegetation from this area without prior approval pursuant to Article XI hereof.

Any Neighborhood having responsibility for maintenance of all or a portion of the property within a particular Neighborhood pursuant to additional covenants affecting the Neighborhood shall perform such maintenance responsibility in a manner consistent with the Community-Wide Standard. If any such Neighborhood fails to perform its maintenance responsibility as required herein and in any additional covenants, the Association may perform it and assess the costs against all Units within such Neighborhood as provided in Article X, Section 4, of this Declaration.

Section 4. Party Walls and Party Fences.

(a) General Rules of Law to Apply. Each wall or fence built as a part of the original construction on the Units which shall serve and separate any two (2) adjoining Units shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions.

(c) Damage and Destruction. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the wall or fence may restore it. If the other Owner or Owners thereafter make use of the wall or fence, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(e) Arbitration. In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

Article V **Insurance and Casualty Losses**

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket "all-risk" property insurance, if reasonably available, for all insurable improvements on the common Area. If blanket "all-risk" coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

In addition to property insurance on the Common Area, the Association may, upon request of a Neighborhood, and shall, if so specified in a Supplemental Declaration applicable to the Neighborhood, obtain and continue in effect adequate blanket "all-risk" property insurance, if reasonably available, on the properties within the Neighborhood. If "all-risk" insurance is not reasonably available, then fire and extended coverage may be substituted. Such coverage may be in such form as the Board of Directors deems appropriate and the face amount of the policy shall be sufficient to cover the full replacement cost of all structures to be insured. The costs thereof shall be charged to the Owners of Units within the benefited Neighborhood as a Neighborhood Assessment, as defined in Article I hereof.

The Association shall have no insurance responsibility for any part of the Golf Club property except to the extent it is within the Area of Common Responsibility or as otherwise provided in this Declaration.

Insurance obtained on the properties within any Neighborhood, whether obtained by the Neighborhood Association for such Neighborhood, if any, or the Association, shall at a minimum comply with the applicable provisions of this Section 1, including the provisions of this Article applicable to policy provisions, loss adjustment, and all other subject to which this Article applies with regard to insurance on the Common Area. All such insurance shall be in a face amount sufficient to cover the full replacement cost of all insured structures. All such policies shall provide for a certificate of insurance to be furnished to each Member insured, to the Association, and to the Neighborhood Association, if any.

The Board shall also obtain a public liability policy covering the Area of Common Responsibility, insuring the Association and its Members for all damage or injury caused by the negligence of the Association, any of its Members, employees or agents, or any other person who has a right to occupy a Unit. The public liability policy shall have at least a One Million (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a Three Million (\$3,000,000.00) Dollar limit per occurrence, if reasonably available, and a Five Hundred Thousand (\$500,000.00) Dollar minimum property damage limit.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses of the Association and shall be included in the Base Assessment, as defined in Article I and as more particularly described in Article X, Section 1; provided, premiums to insure Exclusive Common Areas shall be included in the Neighborhood Assessment of the Neighborhood(s) benefited thereby unless the Board of Directors reasonably determines that other treatment of the premiums is more appropriate. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefited parties, as further identified in subsection (b) below. The provisions hereinafter set forth shall govern such insurance:

(a) All policies shall be written with a company authorized to do business in Texas which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating which is available.

(b) All policies on the Area of Common Responsibility shall be for the benefit of the Association and its Members; all policies secured at the request of a Neighborhood shall be for the benefit of the Neighborhood Association, if any, the Owners of Units within the Neighborhood, and their Mortgagees, as their interests may appear.

(c) Exclusive authority to adjust losses under policies obtained by the Association on Properties shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

(e) All property insurance policies shall have an inflation guard endorsement, if reasonably available, and, if the policy contains a co-insurance clause, it shall also have an agreed amount endorsement. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the City of Waco, County of McLennan, Texas area.

(f) The Association's Board of Directors shall be required to use reasonable efforts to secure insurance policies that will provide the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, officers, employees and manager, the Owners and occupants of Units, and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

(iii) a statement that no policy may be canceled, invalidated, suspended, or subject to non-renewal on account of any one or more individual Owners;

(iv) a statement that no policy may be canceled, invalidated, suspended, or subject to non-renewal on account of any curable defect or violation without prior demand in writing delivered to the Association to cure the defect or violation and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

(v) a statement that "any other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) a statement that the Association will be given at least thirty (30) days prior written notice of any cancellation, substantial modification, or non-renewal.

In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expenses, worker's compensation insurance, if and to the extent required by law, directors' and officers' liability coverage, if reasonably available, a fidelity bond or bonds on directors, officers, employees, and other Persons handling or responsible for the Association's funds, and flood insurance, if reasonably available. The amount of fidelity coverage shall be determined in the directors' best business judgment but, if reasonably available, may not be less than one-sixth (1/6) of the annual Base Assessments on all Units, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

Section 2. Damage and Destruction.

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Any damage or destruction to the Common Area or to the common property of any Neighborhood Association shall be repaired or reconstructed unless the Voting Members representing at least seventy-five (75%) percent of the total Class "A" vote of the Association, if Common Area, or the Unit Owners representing at least seventy-five (75%) percent of the total vote of the Neighborhood Association whose common property is damaged, if common property of a Neighborhood Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such funds or information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Area or common property of a Neighborhood Association shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Area to the common property of any Neighborhood Association shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Properties shall be cleared of all debris and ruins and maintained by the Association, or the Neighborhood Association, as applicable, in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Section 3. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies held by the Association are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction shall be retained by and for the benefit of the Association and placed in a capital improvement account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s), as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

Section 4. Repair and Reconstruction. If the damage or destruction to the Common Area or to the common property of a Neighborhood Association for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Voting Members, levy a special assessment against those Owners of Units responsible for the premiums for the applicable insurance coverage under Section 1 of this Article. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Article VI **No Partition**

Except as is permitted in the Declaration or amendments thereto, there shall be no judicial partition of the Common Area or any part thereof, nor shall any Person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property that may or may not be subject to this Declaration.

Article VII **Condemnation**

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of an under threat of condemnation by the Board acting on the written direction of Voting Members representing at least sixty-seven (67%) percent of the total Class "A" vote in the Association and of the Declarant, as long as the Declarant owns any property described on Exhibits "A" or "B") by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" of this Declaration, and Voting Members representing at least seventy-five (75%) percent of the total Class "A" vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction that is to be repaired shall apply.

If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Article VIII **Annexation of Additional Property**

Section 1. Annexation Without Approval of Class "A" Membership. Declarant shall have the unilateral right, privilege, and option, from time to time at any time until all property described on Exhibit "B" has been subjected to this Declaration or December 31, 2009, whichever is earlier, to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the real property described in Exhibit "B", attached hereto. Such annexation shall be accomplished by filing in the public records of McLennan, Texas, a Supplemental Declaration annexing such property. Such Supplemental Declaration shall not require the consent of Voting Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other Person the right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

Section 2. Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, the Association may annex real property other than that described on Exhibit "B", and following the expiration of the right in Section 1, any property described on Exhibit "B", to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of Voting Members or alternates representing a majority of the Class "A" votes of the Association (other than those held by Declarant) present at a meeting duly called for such purpose and of the Declarant, so long as Declarant owns property subject to this Declaration or which may become subject hereto in accordance with Section 1 of this Article.

Annexation shall be accomplished by filing of record in the public records of McLennan County, Texas, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the By-Laws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for an the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 2 and to ascertain the presence of a quorum at such meeting.

Section 3. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate, improved or unimproved, located within the properties described in Exhibits "A" or "B", which upon conveyance or dedication to the Association shall be accepted by the Association and thereafter shall be maintained by the Association at its expenses for the benefit of all its Members.

Section 4. Withdrawal of Property. Declarant reserves the right to amend this Declaration unilaterally at any time so long as it holds an unexpired option to expand the community pursuant to this Article VIII, without prior

notice and without the consent of any Person, for the purpose of removing certain portions of the Properties then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for the Properties desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Properties.

Section 5. Amendment. This Article shall not be amended without the prior written consent of Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" hereof.

Article IX **Rights and Obligations of the Association**

Section 1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including, without limitation, furnishings and equipment related thereto and common landscaped areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof and consistent with the Community-Wide Standard.

Section 2. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold, or other property interests within the Properties conveyed to it by the Declarant.

Section 3. Rules and Regulations. The Association, through its Board of Directors, may take and enforce reasonable rules and regulations governing the use of the Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions for violations of this Declaration, the By-Laws, or such rules and regulations may include reasonable monetary fines and suspension of the right to vote and right to use any recreational facilities on the Common Area. In addition, the Association, shall have the right to exercise self-help to cure violations, and shall be entitled to suspend any services provided by the Association to any Owner or such Owner's Unit in the event that such Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association. The Board shall also have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided in the By-Laws of the Association or under other such provisions of the laws of the State of Texas.

The Association, through the Board, by contract or other agreement, shall have the right to enforce these restrictions, rules and regulations or request the enforcement of ordinances of the City of Waco, Texas, if applicable, and to permit McLennan County and the City of Waco, Texas to enforce ordinances on the Properties for the benefit of the Association and its Members.

Section 4. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Section 5. Governmental Interests. For so long as the Declarant owns any property described on Exhibits "A" or "B", the Association shall permit the Declarant authority to designate sites within the Properties, which may include Common Area owned by the Association, for fire, police, water, and sewer facilities, public schools and parks, and other public facilities.

Section 6. Powers of the Association with Respect to Neighborhoods. The Association shall have the power to veto any action taken or contemplated to be taken by any Neighborhood Association or Neighborhood Committee which the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with the Community-Wide Standard. The Association shall also have the power to require specific action to be taken by any Neighborhood Association or Neighborhood Committee in connection with its obligations and responsibilities hereunder or under any other covenants affecting the Properties. Without limiting the generality

of the foregoing, the Association may require specific maintenance or repairs or aesthetic changes to be effectuated by the Neighborhood, may require that a proposed budget include certain items and that expenditures be made therefor, and may veto or cancel any contract providing for maintenance, repair, or replacement of the property governed by such Neighborhood.

Any action required by the Association in a written notice pursuant to the foregoing paragraph to be taken by a Neighborhood shall be taken within the time frame set by the Association in such written notice, which time frame shall be reasonable. If the Neighborhood fails to comply with the requirements set forth in such written notice, the Association shall have the right to effect such action on behalf of the Neighborhood. To cover the Association's administrative expenses in connection with the foregoing and to discourage failure to comply with the requirements of the Association, the Association shall assess the Units in such Neighborhood for their pro rata share of any expenses incurred by the Association in taking such action in the manner provided in Article X, Section 4. Such assessments may be collected as a Special Assessment hereunder and shall be subject to all lien rights provided for herein.

Article X **Assessments**

Section 1. Creation of Assessments. There are hereby created assessments for Association expenses as may from time to time specifically be authorized by the Board of Directors, to be commenced at the time and in the manner set forth in Section 7 of this Article. There shall be three (3) types of assessments: (a) Base Assessments to fund Common Expenses for the benefit of all Members of the Association; (b) Neighborhood Assessments for Neighborhood Expenses benefiting only Units within a particular Neighborhood or Neighborhoods; and (c) Special Assessments as described in Section 4 below. Each Owner, by acceptance of a deed or recorded contract of sale for any portion of the Properties, is deemed covenant and agrees to pay these assessments.

Base Assessments shall be levied on each Unit on the basis of Equivalent Units, as provided in Section 2 below. Neighborhood Assessments shall be levied equally against all Units in the Neighborhood benefiting from the services supported thereby; provided, in the event of assessments for exterior maintenance of structures, or insurance on structures, or replacement reserves which pertain to particular structures, such assessments for the use and benefit of particular Units shall be levied on each of the benefited Units in proportion to the benefit received, if so directed by the Neighborhood in writing to the Board of Directors. Special Assessments shall be levied as provided in Section 4 below.

All assessments, together with interest (at the rate of eighteen (18%) percent per annum (or a rate not to exceed the highest rate allowed by Texas law) as computed from the date the delinquency first occurs, late charges, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each assessment is made until paid. Each such assessment, together with interest, late charges, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose, and, in the event of a transfer of title, his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid as to any particular Unit. Such certificate shall be conclusive evidence of payment to the Association of any assessments therein stated to have been paid. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors and, if the Board so elects, assessments may be paid in two (2) or more installments. Unless the Board otherwise provides, the Base Assessment and any Neighborhood Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Unit,

the Board may require any unpaid installments of the annual assessment and/or any other assessments to be paid in full immediately..

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration and not limitation, by non-use of Common Areas or abandonment of the Unit. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

So long as the Declarant has an option unilaterally to subject additional property to this Declaration, the Declarant may annually elect either to pay regular assessments on its unsold Units or to pay to the Association the difference between the amount of assessments collected on all other Units subject to assessment and the amount of actual expenditures required to operate the Association during the fiscal year. Unless the Declarant otherwise notifies the Board of Directors in writing at least sixty (60) days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year. The Declarant's obligations hereunder may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination of services and materials with Declarant or other entities for the payment of some portion of the Common Expenses.

Section 2. Computation of Base Assessment. The Base Annual Assessment will be determined each year by dividing the total operating expenses by the number of Units/Lots subject to the jurisdiction of this Association. The Board of Directors has the unilateral right to increase the Assessment up to twenty-five (25%) percent over the preceeding year without a vote of the Members. Any increase greater than twenty-five (25%) percent will require the approval of the majority of the eligible Members in attendance of a meeting duly called for such purpose.

So long as the Declarant has the right unilaterally to annex additional property pursuant to Article VIII hereof, the Declarant may elect on an annual basis, but shall not be obligated, to subsidize the Base Assessments for any fiscal year by payment of a subsidy (in addition to any amounts paid by Declarant under Section I above); provided, any such subsidy shall be conspicuously disclosed as a line item in the income portion of the Common Expense budget and shall be made known to the membership. The payment of such subsidy in any year shall under no circumstances obligate to Declarant to continue payment of such subsidy in future years.

The Board shall cause a notice of the amount of the Base Assessment to be levied against each Unit for the following year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved at a meeting of the Voting Members or their alternates representing at least a majority of the total eligible votes of the Association. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Voting Members as provided for special meetings which petition must be presented to the Board within ten (10) days of delivery of the notice of assessments.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

Section 3. Computation of Neighborhood Assessments. It shall be the duty of the Board, at least sixty (60) days before the beginning of each fiscal year, to prepare a separate budget covering the estimated

Neighborhood Expenses to be incurred by the Association for each Neighborhood on whose behalf Neighborhood Expenses are expected to be incurred during the coming year. The Board shall be entitled to set such budget only to the extent that this Declaration or the By-Laws specifically authorizes the Board to assess certain costs, such as the cost of maintaining Exclusive Common Areas, as a Neighborhood Assessment. Any Neighborhood may require that additional services or a higher level of services be provided by the Association, and in such case, any additional costs shall be added to such budget. Such budget may include a capital contribution establishing a reserve fund for repair and replacement of capital items within the Neighborhood, as appropriate. Neighborhood Expenses shall be allocated equally among all Units within the Neighborhood benefitted thereby and levied as a Neighborhood Assessment.

The Board shall cause a copy of such budget and notice of the amount of the Neighborhood Assessment to be levied on each Unit in the Neighborhood for the coming year to be delivered to each Owner of a Unit in the Neighborhood at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by a majority of the Owners of Units in the Neighborhood which the Neighborhood Assessment applies; provided, there shall be no obligation to call a meeting for the purpose of considering the budget except on petition of Owners of at least ten (10%) percent of the Units in such Neighborhood; and provided, further, the right to disapprove shall only apply to those line items in the Neighborhood budget which are attributable to services requested by the Neighborhood.

In the event the proposed budget for any Neighborhood is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

Section 4. Special Assessments.

(a) Entire Membership. The Association may levy Special Assessments from time to time provided such assessment receives the affirmative vote or written consent of Voting Members or their alternates representing the majority of the total Class "A" votes in the Association and the affirmative votes or written consent of the Class "B" Members, if such then exists. Special Assessments levied against the entire membership shall be allocated to the Units in proportion to their Equivalent Units unless the Board determines that another method is more equitable. Special Assessments pursuant to this paragraph shall be payable in such manner and at such times as determined by the Board, and may be payable in installment extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

(b) Less Than All Members. The Association may levy a Special Assessment against any Member individually and against such Member's Unit to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the By-Laws, or the Association rules, which Special Assessments may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing. The Association may also levy a Special Assessment equally against the Units in any Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the By-Laws, and the Association rules and regulations, which Special Assessment may be levied upon the vote of the Board after notice to the senior officer of the Neighborhood and an opportunity for a hearing.

Section 5. Lien for Assessments. Upon recording of a notice of lien on any Unit, there shall exist a perfected lien for unpaid assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure in accordance with Tex. Prop. Code Ann. Section 51.002 (Vernon 1983), as it may be amended.

The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the

Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 6. Reserve Budget and Capital Contribution. The Board of Directors shall annually prepare a reserve budget to take into account the number and nature of replaceable assets, the expected life of such asset, and the expected repair or replacement cost. The Board shall set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual Base Assessments over the period of the budget. The capital contribution required, if any, shall be fixed by the Board and included within and distributed with the applicable budget and notice of assessments, as provided in Sections 2 and 3 of this Article.

Section 7. Date of Commencement of Assessments. The obligation to pay the assessments provided for herein shall commence as to each Unit on the first day of the month following: (a) the month in which the Unit is made subject to this Declaration; or (b) the month in which a subdivision plat is recorded covering the property comprising the Unit, whichever is later. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual Base Assessment levied on a Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Unit.

Notwithstanding the above provision for commencement of assessments, the assessments on vacant lots owned by Declarant, Developer or Builders shall be due and payable in a manner and on a schedule as unilaterally determined by the Declarant during the Class "B" Control Period and thereafter by the Board of Directors.

Section 8. Subordination of the Lien to First Mortgages. The lien of assessments, including interest, late charges (subject to the limitations of Texas law), and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Unit. The sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments that became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record of other purchaser of a Unit obtains title pursuant to judicial or nonjudicial foreclosure of the Mortgage, it shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Unit which became due prior to such acquisition of title. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

Section 9. Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from payment of Base Assessments, Neighborhood Assessments, and Special Assessments:

- (a) all Common Area; and
- (b) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets, and public parks, if any.

Article XI **Architectural Standards**

No structure shall be placed, erected or installed upon any Unit, no construction (which term shall include within its definition staking, clearing, excavation, grading, and other site work), no exterior alteration or modification of existing improvements, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements below have been fully met, and until the approval of the appropriate committee has been obtained pursuant to Sections 1 and 2 below. The Board of Directors may establish reasonable fees to be charged by the committee(s) on behalf of the Association for review of applications hereunder and may require such fees to be paid in full prior to review of any application.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or architectural design professional.

This Article shall not apply to the activities of the Declarant, nor to construction or improvements or modifications to the Common Area by or on behalf of the Association.

The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the committee(s) established in Sections 1 and 2 of this Article XI. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

Section 1. New Construction Committee. Until one hundred (100%) percent of the Properties have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the NCC, who shall serve at the discretion of the Declarant. There shall be no surrender of this right prior to that time except in a written instrument in a recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the NCC, who shall serve and may be removed at the discretion of the Board of Directors. The members of the NCC may include architects, engineers and other persons who are not Members of the Association.

The NCC shall prepare and, on behalf of the Board of Directors, shall promulgate design and development guidelines governing construction within the Properties, which shall include application and review procedures to be followed in submitting an application for approval hereunder ("Design Guidelines"). The Design Guidelines shall be those of the Association, and the NCC shall have sole and full authority to modify and to amend them from time to time without the consent of any Owner. The NCC shall make the Design Guidelines available to Owners, builders, and developers who seek to engage in development of or construction upon all or any portion of the Properties and such Owners, builders and developers shall conduct their operations strictly in accordance therewith. In the event that the NCC fails to approve or disapprove plans submitted to it, or to request additional information reasonably required, within forty-five (45) days after submission thereof, the plans shall be deemed approved.

Section 2. Modification Committee. The Board of Directors may establish a Modifications Committee (MC) to consist of at least three (3) and no more than five (5) persons, all of whom shall be appointed by, and shall serve at the discretion of, the Board of Directors. Members of the MC may include architects or similar professionals who are not Members of the Association. The MC, if established, shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or structures containing Units and the open space, if any, appurtenant thereto; provided, however, the MC may delegate this authority to the appropriate board of committee of any Neighborhood Association subsequently created or subsequently subjected to this Declaration so long as the MC has determined that such board of committee has in force review and enforcement practices, procedures, and appropriate standards at least equal to those of the MC. Such delegation may be revoked and jurisdiction reassumed at any time by written notice. Notwithstanding the above, the NCC shall have the right to veto any action taken by the MC which the NCC determines, in its sole discretion, to be inconsistent with the guidelines promulgated by the NCC.

The Modifications Committee shall promulgate detailed standards and procedures governing its areas of responsibility and practice, consistent with those of the NCC. In addition thereto, the following shall apply. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations, shall be submitted to the MC for approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his Unit, or to paint the interior of his Unit any color desired; provided, modifications or alterations to the interior of screened porches, patios and similar portions of a Unit visible from outside the Unit shall be subject to approval hereunder. In the event that the MC fails to approve or disapprove such plans or to request additional information reasonably required within forty-five (45) days after submission, the plans shall be deemed approved.

Section 3. No Waiver of Future Approvals. The approval of either the NCC or MC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

Section 4. Variance. The NCC may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall be considered a hardship warranting a variance.

Section 5. Compliance with Guidelines. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of the guidelines and procedures promulgated by the NCC or MC may be excluded by the Board from the Properties without liability to any person, subject to the notice and hearing procedures contained in Article III, Section 22, of the By-Laws.

Section 6. No Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the NCC nor the MC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Board of Directors, any committee, or member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction or modifications to any Unit.

Every Owner shall cause all occupants of his or her Unit to comply with the Declaration, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable and may be sanctioned for any violation of the Declaration, By-Laws, and rules and regulations adopted pursuant thereto.

Section 1. Term. The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term of forty (40) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by a majority of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change

said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

Section 2. Amendment. Prior to the conveyance of the first Unit, Declarant may unilaterally amend this Declaration. After such conveyance, the Declarant may unilaterally amend this Declaration at any time and from time to time if such amendment is (a) necessary to bring provision hereof into compliance with any applicable governmental statutes, rule or regulation, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Units; (c) required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Units; or (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Units; provided, however, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent thereto in writing. Any amendment to be effective must be recorded in the public records of McLennan, Texas.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

Section 3. Indemnification. The Association shall indemnify every officer, director, and committee member against any and all expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 4. Easements for Utilities, Etc. There is hereby reserved unto Declarant, so long as the Declarant owns any property described on Exhibits "A" or "B", the Association, and the designees of each (which may include, without limitation, City of Waco, Texas, and any utility), blanket easements upon, across, over, and under all of the Properties for ingress, egress, installation, replacing, repairing, and maintaining cable television systems, master television antenna systems, security, and similar systems, roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephones, gas, and electricity; provided, the exercise of this easement shall not unreasonably interfere with

the use of any Unit and, except in an emergency, entry into any Unit shall be made only after reasonable notice to the Owner or occupant thereof.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier, electric company, and natural gas supplier easements across all Units and the Common Areas for ingress, egress, installation, reading, replacing, repairing, and maintaining utility meters and boxes. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Properties, except as may be approved by the Association's Board of Directors or as provided by Declarant.

Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board of Directors shall have the right to grant such easement over the Properties without conflicting with the terms hereof. The easements provided for in this Article shall in no way adversely affect any other recorded easement on the Properties.

The Association shall have the authority, by a two-thirds (2/3) vote of its Members, the power to dedicate portions of the Common Area to McLennan County, the City of Waco, Texas, or to any other like entity, local, state, or federal governmental entity, subject to such approval requirements as may be contained in Article XIV, Section 2 of this Declaration.

Section 5. Easements for Lake Maintenance and Flood Water. Declarant reserves for itself and its successors, assigns and designees the non-exclusive right and easement, but not the obligation, to enter upon the lakes, ponds and streams located within the Area of Common Responsibility (a) to install, keep, maintain and replace pumps thereon in order to provide water therefrom for the irrigation of any of the Area of Common Responsibility and the Golf Club, (b) to construct, maintain and repair any wall, dam, or other structure retaining water therein, (c) to remove trash and other debris therefrom and fulfill their maintenance responsibility as provided in this Declaration, and (d) to remove golf balls therefrom. Declarant's rights and easements provided in this Section 6 shall be transferred to the Association at such time as Declarant shall cease to own property subject to the Declaration, or such earlier time as Declarant may decide, in its sole discretion, and transfer such rights by a written instrument. The Declarant and the Association shall have an easement over and across any of the Properties abutting or containing any portion of any of the lakes, ponds or streams for the purpose of allowing the Declarant to exercise its rights and responsibilities as herein and otherwise set forth; provided, however, the Declarant, its designees, and the Association shall use reasonable care in the exercise of such easement and shall repair any damage caused in the exercise of such easement. There is further reserved herein and hereby, for the benefit of Declarant and the Association, a perpetual, non-exclusive right and easement of access and encroachment over Common Areas and Units (but not the dwellings thereon) adjacent to or within one hundred (100) feet of lakes, ponds and streams within the Properties, in order: (a) to temporarily flood and back water upon and maintain water over such portions of the Properties; (b) to fill, drain, dredge, deepen, clean, fertilize, dye and generally maintain the lakes, ponds and streams within the Area of Common Responsibility; (c) to maintain and landscape the slopes and banks pertaining to such lakes, ponds and streams; and (d) to enter upon and across such portions of the Properties for the purpose of exercising its or their rights under this Section.

Section 6. Easements to Serve Additional Property. The Declarant and its duly authorized agents, representatives, and employees, as well as its successors, assigns, licensees and mortgagees, shall have and there is hereby reserved an easement over the Common Areas for the purpose of enjoyment, use, access and development of the Additional Property described in Exhibit "B" attached hereto and by this reference incorporated herein, whether or not such Additional Property is made subject to this Declaration. This easement includes but is not limited to a right of ingress and egress over the Common Areas for construction of roads and for tying in and installation of utilities on the Additional Property. Declarant agrees that it, its successors or assigns, shall be responsible for any damage caused to the Common Areas as a result of vehicular traffic connected with development of the Additional Property. Declarant further agrees that if the easement is exercised for permanent access to the Additional Property and such Additional Property or any portion thereof is not made subject to this Declaration, the Declarant, its successors, or assigns shall enter into a reasonable agreement with the Association to share the cost of maintenance of any access roadway serving the Additional Property. Such agreement shall provide for a sharing of costs based

on the ratio which the number of residential dwellings on that portion of the Additional Property which is served by the easement and is not made subject to this Declaration bears to the total number of residential dwellings within the Properties and on such portion of the Additional Property.

Section 7. Easement for Golf Balls. Every Unit and the Common Area and the common property of any Neighborhood Association are burdened with an easement permitting golf balls unintentionally to come upon such Common Area, Units or common property of a Neighborhood, or to the exterior portions of a Unit to retrieve errant golf balls; provided, however, if any Unit is fenced or walled, the golfer shall seek the Owner's permission before entry. The existence of this easement shall not relieve golfers of liability for damage caused by errant golf balls. Under no circumstances shall the Association be held liable for any damage or injury resulting from errant golf balls or the exercise of this easement.

Each Owner by acceptance of the Deed to a Golf Course Lot shall be deemed to have acknowledged that such Owner has been advised that Golf Course Lots and other lots in proximity to the Golf Course can expect that golf balls will be projected into such lots from the Golf Course, and may strike improvements upon the lot and cause both property damage and injury to persons. By acceptance of a Deed to such a Lot, the Owner thereof, on behalf of himself or herself and all residents of such Lots, and all guests and invitees thereon from time to time:

(a) Acknowledges the potential for such damage and injury and has considered the same and agrees to accept the risk thereof in exchange for the benefits of owning a Lot in proximity to a Golf Course;

(b) Assumes all risks of such damage and injury and releases Declarant, the Association, the Golf Course Developer and Operator and Baylor University, and their respective partners, officers, directors and employees and contract laborers of and from any and all claims for damage to property or injury to persons arising therefrom or associated with such errant golf balls.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 9. Right of Entry. The Association shall have the right, but not the obligation, to enter into any Unit for emergency, security, and safety reasons, to perform maintenance pursuant to Article IV hereof, and to inspect for the purpose of ensuring compliance with this Declaration, the By-Laws, and the Association rules, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter a Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after request by the Board.

Section 10. Easement for Overspray. Every Unit and the Common Area and the common property of any Neighborhood Association are burdened with an easement in favor of the Golf Course Developer and each Operator of the Golf Course Property or any part thereof and their respective successors and assigns for overspray of water from the irrigation system serving the Golf Course. Under no circumstances shall Declarant, the Association, the Golf Course Developer or Operator or Baylor University or their respective partners, officers, directors and employees be held liable for any damage, injury or nuisance resulting from such overspray or the exercise of this easement.

Section 11. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of seventy-five (75%) percent of the Voting Members. In the case of such a vote, and notwithstanding anything contained in this Declaration or the Articles of Incorporation or By-Laws of the Association to the contrary, a Voting Member shall not vote in favor of bringing or prosecuting any such proceeding unless authorized to do so by a vote of seventy-five (75%) percent of all Members of the Neighborhood represented by the Voting Member. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and

collection of assessments as provided in Article X hereof, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by the Declarant or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 12. Cumulative Effect; Conflict. The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of any Neighborhood and the Association may, but shall not be required to, enforce the latter; provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of any Neighborhood shall be subject and subordinate to those of the Association. The foregoing priorities shall apply, but not be limited to, the liens for assessments created in favor of the Association.

Section 13. Compliance. Every Owner and occupant of any Unit shall comply with all lawful provisions of this Declaration, the By-Laws and rules and regulations of the Association. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, maintainable by the Association or, in a proper case, by an aggrieved Unit Owner or Owners. In addition, the Association may avail itself of any and all remedies provided in this Declaration or the By-Laws.

Section 14. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROPERTIES, HOWEVER, AND NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL BE HELD LIABLE FOR SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY UNIT, TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION AND ITS BOARD OF DIRECTORS, DECLARANT, OR ANY SUCCESSOR DECLARANT AND THE NEW CONSTRUCTION AND MODIFICATIONS COMMITTEES DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY THE DECLARANT OR THE NEW CONSTRUCTION OR MODIFICATIONS COMMITTEES MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER AND OCCUPANT OF ANY UNIT, AND EACH TENANT, GUEST AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS AND COMMITTEES, DECLARANT, OR ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY UNIT AND EACH TENANT, GUEST AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS AND TO THE CONTENTS OF UNITS AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS AND COMMITTEES, DECLARANT, OR ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTIES.

Section 15. Notice of Sale or Transfer of Title. In the event that any Owner desires to sell or otherwise transfer title to his or her Unit, such Owner shall give the Board of Directors at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board of Directors may reasonably require. Until such written notice is received by the Board of Directors, the transferor shall continue to be jointly and severally responsible for all obligations of the Owner of the Unit hereunder, including payment of assessments, notwithstanding the transfer of title to the Unit.

Article XIV
Mortgagee Provisions

The following provisions are for the benefit of holders of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, therefore becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) any delinquency in the payment of assessments or charges owed on a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Declaration or By-Laws relating to such Unit or the Owner or occupant thereof which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of Eligible Holders.

Section 2. Actions Requiring Approval of Eligible Mortgage Holders. To the extent possible under Texas law:

(a) Any restoration or repair of the Properties after a partial condemnation or damage to an insurable hazard shall be substantially in accordance with this Declaration and the original plans and specifications unless the approval is obtained of the Eligible Holders of the first Mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to Mortgages held by such Eligible Holders are allocated.

(b) Any election to terminate the Association after substantial destruction or a substantial taking in condemnation shall require the approval of Voting Members representing sixty-seven (67%) percent of the total Association vote and the approval of the Eligible Holders of first Mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to Mortgages held by such Eligible Holders are allocated.

(c) Any election to terminate the Association under circumstances other than substantial destruction or a substantial taking in condemnation shall require the consent of Voting Members representing at least sixty-seven (67%) percent of the Class "A" votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of the Eligible Holders of first Mortgages on Units to which at least sixty-seven (67%) percent of the votes of Units subject to a Mortgage are allocated.

(d) Any material amendment to the Declaration, By-Laws, or Articles of Incorporation of the Association shall require the consent of Voting Members representing at least sixty-seven (67%) percent of the Class "A" votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of Eligible Holders of first Mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to a Mortgage held by an Eligible Holder are allocated. An amendment which changes the provisions for any of the following shall be considered material:

- (i) voting rights;
- (ii) Assessments, assessment liens, or subordination of such liens;
- (iii) reserves for maintenance, repair, and replacement of the Common Area;
- (iv) responsibility for maintenance and repair of the Properties;
- (v) rights to use the Common Area;
- (vi) boundaries of any Unit;
- (vii) expansion or contraction of the Properties or the addition, annexation, or withdrawal of Properties to or from the Association;
- (viii) insurance or fidelity bonds;
- (ix) leasing of Units;
- (x) imposition of any right of first refusal or similar restriction of the right of any Owner to sell, transfer, or otherwise convey his or her Unit'
- (xi) establishment of self-management by the Association where professional management has been required by an Eligible Holder; or
- (xii) any provisions included in the Declaration, By-Laws, or Articles of Incorporation which are for the express benefit of holders, guarantors, or insurers of first Mortgages on Units.

Section 3. Additional Requirements. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least sixty-seven (67%) percent of the first Mortgagees or Voting Members representing at least sixty-seven (67%) percent of the total Association vote entitled to cast thereon consent, the Association shall not:

- (a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer all or any portion of the real property comprising the Common Area which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this subsection);
- (b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Unit (A decision, including contracts, by the Board or provisions of any declaration subsequently recorded on any portion of the Properties regarding assessments for Neighborhoods or other similar areas shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration.);
- (c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Units and of the Common Area (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);
- (d) fail to maintain insurance, as required by this Declaration; or
- (e) use hazard insurance proceeds for any Common Area losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 4. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 5. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Section 6. Amendment by Board. Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 7. Applicability of Article XIV. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Texas law for any of the acts set out in this Article.

Section 8. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

Section 9. FHA/VA Approval. As long as there is a Class "B" membership, the following actions shall require the prior approval of the Federal Housing Administration or the Veterans Administration, if either such agency is insuring or guaranteeing the mortgage on any Unit: annexation of additional property other than that described on Exhibit "B", dedication of Common Area, mortgaging of Common Area, or material amendment of this Declaration.

Article XV **Declarant's Rights**

Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the By-Laws may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein or in the By-Laws, as applicable, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the public records of McLennan County, Texas. Nothing in this Declaration shall be construed to require Declarant or any successor to develop any of the property set forth in Exhibit "B" in any manner whatsoever.

Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and initial sale of Units shall continue, it shall be expressly permissible for Declarant and any builder designated by Declarant to maintain and carry on upon portions of the common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, models units, and sales offices, and the Declarant and such designated builder(s) shall have easements for access to and use of such facilities. The right to maintain and carry on such facilities and activities shall include specifically, without limitation, the right to use Units owned by the Declarant and any clubhouse or community center which may be owned by the Association, as models and sales offices, respectively.

So long as Declarant continues to have rights under this paragraph, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion

of the Properties without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant.

This Article may not be amended without the express written consent of the Declarant; provided, however, the rights contained in this Article shall terminate upon the earlier of (a) twenty (20) years from the date of this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

Article XVI **Golf Club**

Section 1. General. Neither membership in the Association nor ownership or occupancy of a Unit shall confer any ownership interest in or right to use the Golf Club. Rights to use the Golf Club will be granted only to such persons, and on such terms and conditions, as may be determined from time to time by the respective owners of the Golf Club. The owner(s) of the Golf Club shall have the right, from time to time in its sole and absolute discretion and without notice, to amend or waive the terms and conditions of use of the Golf Club, including, without limitation, eligibility for an duration of use rights, categories of use and extent of use privileges, and number of user, and shall also have the right to reserve use rights and to terminate use rights altogether.

Section 2. Conveyance of Golf Club. All Persons, including all Owners, are hereby advised that no representations or warranties have been or are made by the Declarant or any other Person with regard to the continuing ownership or operation of the Golf Club as depicted upon the General Land Use Plan, and no purported representation or warranty in such regard, either written or oral, shall ever be effective without an amendment hereto executed or joined into by the Declarant. Further, the ownership or operational duties of and as to the Golf Club may change at any time and from time to time by virtue of, but without limitation, (a) the sale or assumption of operations of the Golf Club by/to an independent Person, (b) the conversion of the Golf Club membership structure to an "equity" club or similar arrangement whereby the members of the Golf Club or an entity owned or controlled thereby become the owner(s) and/or operator(s) of the Golf Club, or (c) the conveyance, pursuant to contract, option, or otherwise, of the Golf Club to one or more affiliates, shareholders, employees, or independent contractors of Declarant. As to any of the foregoing or any other alternative, no consent of the Association, any Neighborhood, or any Owner shall be required to effectuate such transfer. Notwithstanding the above, under no circumstances shall any Golf Club be conveyed to the Association and no Owner shall have any right or interest in the Golf Club by virtue of ownership or occupancy of a Unit.

Section 3. Rights of Access and Parking. The Golf Club and its members (regardless of whether such members are Owners hereunder), their guests, invitees, and the employees, agents, contractors, and designees of the Golf Club shall at all times have a right and non-exclusive easement of access and use over all roadways located within the Properties reasonably necessary to travel from/to the entrances to the Properties to/from the Golf Club and, further, over those portions of the Properties (whether Common Area or otherwise) reasonably necessary to the operation, maintenance, repair, and replacement of the Golf Club. Without limiting the generality of the foregoing, members of the Golf Club and permitted of the public shall have the right to park their vehicles on roadways located within the Properties at reasonable times before, during, and after golf tournaments and other similar functions held by/at the Golf Club.

Section 4. Assessments. The Golf Club shall not be obligated to pay assessments hereunder. However, the Association may enter into a contractual arrangement or covenant to share costs with the Golf Club whereby the Golf Club will contribute funds for, among other things, maintenance of lakes and ponds within the Golf Club property, use of water from lakes and ponds for irrigation, and/or a higher level of Common Area maintenance.

Section 5. Architectural Control. Neither the Association, the Modifications Committee, nor any Neighborhood Association or Committee or board thereof, shall approve or permit any construction, addition, alteration, change, or installation on or to any portion of the Properties which is adjacent to and in the direct line of sight of the Golf Club, without giving the Golf Club at least fifteen (15) days' prior notice of its intent to approve or

permit the same together with copies of the request therefor and all other documents and information finally submitted in such regard. The Golf Club shall then have fifteen (15) days to approve or disapprove the proposal in writing delivered to the appropriate committee or association, stating in detail the reasons for any disapproval. The failure of the Golf Club's right to respond to the aforesaid notice within the fifteen (15) day period shall constitute a waiver of the Golf Club's right to object to the matter so submitted. This Section shall also apply to any work on the Common Areas hereunder or any common property or common elements of a Neighborhood Association, if any.

Section 6. Limitations on Amendments. In recognition of the fact that the provisions of this Article are for the benefit of the Golf Club, no amendment to this Article, and no amendment in derogation hereof to any other provisions of this Declaration, may be made without the written approval thereof by the owner(s) of the Golf Club. The foregoing shall not apply, however, to amendments made by the Declarant.

Section 7. Jurisdiction and Cooperation. It is Declarant's intention that the Association and the Golf Club shall cooperate to the maximum extent possible in the operation of the Properties and the Golf Club. Each shall reasonably assist the other in upholding the Community-Wide Standard as it pertains to construction and maintenance. Except as specifically provided herein or in the By-Laws, the Association shall have no power to promulgate rules and regulations affective activities on or use of the Golf Club without the prior written consent of the Owner of the Golf Club.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration this _____ day of _____, 2001.
